Pursuant to a petition filed April 06, 2016, under Wis. Stat. § 49.45(5), and Wis. Admin. Code § HA 3.03(1), to review a decision by the Division of Health Care Access and Accountability in regard to Medical Assistance (MA), a hearing was held on May 20, 2016, at Shell Lake, Wisconsin.

FINDINGS OF FACT

1. The petitioner (CARES # [REDACTED]) is a resident of Washburn County.
2. The petitioner with Family Health Center requested a type of occlusal guard on March 2, 2016. The department denied the request on March 15, 2016.

DISCUSSION

The petitioner has severe headaches and believes that a custom tooth-protecting device will alleviate them. Her doctor prescribed a type of occlusal guard. The department denied the request, claiming medical assistance does not cover them. The department is correct. The medical assistance regulation listing non-covered services specifically lists occlusal guards. Wis. Admin. Code, § DHS 107.03(4)(k)6. It does not matter if the guard will reduce the petitioner's headaches. When an administrative code provision specifically bars funding, an administrative law judge has no authority to order it. Therefore, I must uphold the agency's decision.

CONCLUSIONS OF LAW

The petitioner cannot receive medical assistance reimbursement for an occlusal guard because the Wisconsin Administrative Code specifically bars funding for the device.

THEREFORE, it is

ORDERED

The petitioner's appeal is dismissed.
